TREES OF HOPE WI TO FIGHT BLOOD CANCERS- LEUKEMIA, LYMPHOMA, MYELOMA
Blood Center of WI /Be The Match – A Mission to Advance Treatments for Blood Cancers

This is an invitation for you to join with us for our Signature fundraising event. Visit our website: TreesofHopeWI.org - see our story and our mission. In our 9th Year- this event draws over 500 people

Nov 23rd, 2019 9th Annual Trees of Hope WI Celebration, Gala and Auction at the Radisson Hotel Milwaukee West (Mayfair). Funds raised will benefit local patient services and research through the Blood Center of Wisconsin-BeThe Match, Children's Hospital of WI and other local medical facilities, patient services and accommodations through Kathy's House. Last year's event raised over \$40,000. Our goal this year is \$50,000. With your help we will reach that goal. We have distributed over \$160,000 since inception. Cancer doesn't take a Holiday, so neither do we.

This community-wide event can showcase your business, while benefitting our community health organizations. Companies, groups and individuals sponsor/decorate Themed Christmas Trees, Wreaths, etc that are on display and auctioned. We have numerous sponsorship opportunities for the event, and any amount of support is extremely appreciated.

Would you consider donating an item that we can add to our Silent Auction? Or be a sponsor? Decorate a Tree to promote your business?

All donors are recognized in signage at our event, in our event program and on our social media.

I welcome an opportunity to speak with you about what we are doing. I would love to have you featured as one of our sponsors. We'd appreciate if you would share this event with your employees. This is open to everyone to come and enjoy.

Kick off the Holidays and Help Kick Cancer

Thank-you in advance for your time and consideration. Your donation can be tax-deductible. Lindsay's Voice, Inc is a 501(c)3 registered non-profit Public Charity Completely Volunteer-based
