Supporting Patients and Research for Leukemia, Lymphoma, Myeloma –Blood Cancers

### **PROGRAM INFORMATION SHEET**

To enhance the theme of a tree, mantle piece, centerpiece or basket, some decorators choose to place items under or around their tree or display. These may include furniture items, toys, gift certificates, hotel packages, concert tickets and other complimentary theme items. It is certainly not a requirement that the tree or display include these objects. However, if you choose to enhance your tree or display with such decorative items, they will be sold along with your tree or display and it will increase the value of your donation-helping us raise more money.
